TRANSACTIONS

of the

ILLUMINATING ENGINEERING SOCIETY

Volume 24 (Nos. 1-4) 1959

CONTENTS

	Page
Golden Jubilee Messages of Congratulation	1
Presidential Address : Light and Life, by C. C. Smith	7
Lighting Trends Since 1945 : A Survey of Industrial, Office and Shop Lighting, by H. H. Ballin	13
Report of the Council	33
Measurement of Low Light Levels by the Photon Counting Method, by B. M. Young and L. P. Cooper	46
Some Practical Considerations in the Design and Manufacture of Neon Signs, by A. Urquhart	53
I.E.S. Gold Medal, Regulations	71
Lighting Design—The Next Step: Discussion	72
The Lighting of Gloucester Cathedral by the "Designed Appearance" Method, by J. M. Waldram...	85
Professor J. T. MacGregor-Morris	106
Honorary Fellowship, H.R.H. The Duke of Edinburgh, K.G., K.T. ...	109
Honorary Membership, Mr. A. W. Beutell	110
I.E.S. Gold Medal, Announcement of first award	110
Trotter-Paterson Memorial Lecture : Light and Living Matter, by Professor Sir Solly Zuckerman	111
The Permanent Supplementary Artificial Lighting of Interiors, by R. G. Hopkinson and J. Longmore	121
Lighting Codes	149
Light and Pattern in Painting	151
A Simplified Procedure for the Routine Calculation of Coefficients of Utilisation based on the Jones-Neidhart Data, by R. H. Simons ...	153
I.E.S. Gold Medal, Presentation to Dr. J. W. T. Walsh	168
Practical Application of Direct Discomfort Glare Research in the New Australian Artificial Lighting Code, by J. C. Lowson	169

Authors' Index

		Page
BALLIN, H. H.	Lighting Trends Since 1945 : A Survey of Industrial, Office and Shop Lighting ...	13
COOPER, L. P.	Measurement of Low Light Levels by the Photon Counting Method	46
HOPKINSON, R. G.	The Permanent Supplementary Artificial Lighting of Interiors	121
LONGMORE, J.	The Permanent Supplementary Artificial Lighting of Interiors	121
LOWSON, J. C.	Practical Application of Direct Discomfort Glare Research in the New Australian Artificial Lighting Code	169
SIMONS, R. H.	A Simplified Procedure for the Routine Calculation of Coefficients of Utilisation based on the Jones-Neidhart Data ...	153
SMITH, C. C.	Presidential Address : Light and Life ...	7
URQUHART, A.	Some Practical Considerations in the Design and Manufacture of Neon Signs	53
WALDRAM, J. M.	The Lighting of Gloucester Cathedral by the "Designed Appearance" Method ...	85
YOUNG, B. M.	Measurement of Low Light Levels by the Photon Counting Method	46
ZUCKERMAN, SIR SOLLY	Trotter-Paterson Memorial Lecture : Light and Living Matter	111
